ABOUT PAUL STEPHEN

Paul studied brickwork at 18 at Willesden College and went on to do his higher nationals and advanced in night school .

We set up the business approx 25 years ago as a limited building company under the name Powys Builders Limited .

We closed the business down in December 2017 before we moved to France.

We have completed all building works within that time.

Roofing, new builds, extensions, loft conversions, barn conversions, plastering in sand and cement and lime, plastering, painting interior and exterior, plus tiling, plaster boarding, rendering, pointing.

We build garden walls and carry out stone and brickwork, patios, fireplaces.

We worked alongside the CITB and we aided 12 apprentices through our company. Two went into to train as engineers and all qualified as builders.
